

The Mustang Club of America

NATIONAL HEADQUARTERS / P. O. BOX 490201 / ATLANTA, GEORGIA 30349

1965 - 1973 MUSTANGS

Dear Mustangers:

Well----I can't express my appreciation for such a wonderful turn out for the First Grand National Meet at Stone Mountain, Georgia. We had approximately 100 cars plus a turn out of approximately 1200 people. Tickets for the banquet and the raffle tickets were sold completely out, and we could have sold many more. We also got 36 new members. I think that this is a great success story for a Club only five months old.

Trophy winners were (1) Best of Show-James Kinney of Mount Airey, Georgia, (2) Longest Distance-Donald Banks of Toronto, Canada, (3) Most Unusual-Becky Drummond of Rockton, Illinois, (4) Ladies Choice-David Copeland of Marietta, Georgia, and (5) Hard Luck-Jerry Hughes of Hermitage, Tennessee. We had a wonderful two-day event with a nice flea market and a lot of hard to find items.

With regrets our first National President and Founder, Stan Jones resigned due to doctor's orders. A motion was made by Gary Goddard to make him our first Honorary Member. It was carried 100%. Tom Taylor, Vice-President is now your new Club President.

The Mustang Club Times will be mailed later this year. The reason for the delay is the Stone Mountain Meet, which took a lot of time for us to prepare. We are also waiting to get an approval from a publishing company to reproduce an article.

Our club is now incorporated and we can issue the Regional Group Charters. Why don't you start a regional group in your area? If you didn't make the Grand National Meet, you missed a lot of fun and seeing a lot of beautiful Mustangs. We hope to see you next year, if not before.

Best wishes,

Tom Taylor
President
