If you have a problem or question about your Mustang, the following fellows will assist you:

Mechanical Advisor: John Vermeersch
J & E Racing Engines

Mt. Clemens, Michigan 48045
(313) 468-FORD

Parts & Accessory Advisor:

Alec J. Karacsony

Northford, Connecticut 06472

Letters only

Maintenance Advisor: Bobby Pace
168 Prince Anthony Drive
Lawrenceville, Georgia 30245
(404) 963-9909

My first remark is, "What happened to all the Letters to the Editor?". I guess no one has anything to say...you all must be working on your Mustangs.

Thanks to those of you who have volunteered to serve as our technical crew. Those of you who have questions and/or problems are encouraged to contact these fellows for answers or solutions to same. Please allow them sufficient time to secure the most reasonable solutions; and remember, Ford does not have all the answers either. Make certain that phone calls to these gentlemen are not to be made collect and at a reasonable time.. ..remember time zones are varied.

We are now working on a set of judging standards to be used at all Mustang Club of America Meets. Anyone having any suggestions or ideas are asked to put them in the form of a letter and send to the National Headquarters for due consideration.
