

FROM THE EDITOR

For those of you who don't know me, my name is Ken Yeager and I am your vice president. My interest in Mustangs dates back several years. We bought our first one in November, 1975. This was a 1971 Mustang convertible which we completely restored.

In August of 1976, I heard about the First Annual National Meet. I went and joined the Club and put our Mustang in the show. Although we didn't win anything, we thoroughly enjoyed the show. I stayed in contact with our president, Gary Goddard, and in March, 1977, I was elected Vice President.

I am 17 years old and a senior at Towers High School and plan to attend Georgia State University. I also attended Atlanta Junior Academy for four years. The principal of the school, Jim Wyche, also helped me with my interest in cars, along with my father, Jack Yeager. This interest led to my present enthusiasm in Mustangs.

I now own a 1967 G.T. Shelby 500 which will be honored next month as the Car of the Month.

I hope to see many of you at the Meet this August at Stone Mountain, Georgia.

Thank you,

Ken Yeager, Vice President

Again, let me emphasize that you Mustang does not have to be a show car to be eligible for the Car of the Month. Send us a black & white photograph and a short story and let us know you have a Mustang. This may sound like an old story, but without you this Newsletter will be down to one page. I have a very hard time filling out my column (From the Editor) and if the membership does not supply us with some stories, facts, figures, photos, etc., the only thing your 13¢ stamp will bring you will be the back page advertisements.

I am looking for volunteers to head-up an advisory panel to answer questions in the Mustang Times on 64-66, 67-69, 70-73 Mustangs and Shelbys. If you are knowledgeable on any of the above groups, and would like to serve in an advisory capacity, please contact Jim Osborn at once.
