

Dear Editor:

I wish to express my deepest appreciation for the monthly Mustang Times and a job well done at the Second Annual Grand National Meet at Stone Mountain, Georgia on August 5-6-7, 1977.

I could not believe that our club has grown as fast as it has and the way our club members did turn out and participate in this event and all of those beautiful cars from all parts of the United States.

There is no doubt in my mind, we will be the largest car club in America in just a very few years.

I did enjoy meeting all club members and will be looking forward to meeting them again next year in another part of the United States for our Third Annual Meet.

Again, I say thanks for a job well done.

Stan Jones

## FROM THE EDITOR

Our Car of the Month was dropped this month so we could provide more space for coverage of the Second Annual Grand National Meet. But, look out next month, because we have a Mustang that is very unique under the hood. I will not go into any detail...I'll save it for next month.

I would like to thank all the people for their letters to the Editor. If you have anything to say (gripes, praise, suggestions, etc.) this is the place to air your feelings. This is your club.

I am very sorry that the newsletter is so late this month, but we have had to wait on the final pictures to make certain that we were not missing anything we thought would be of interest to you.

I want to thank all of you who stopped by to talk with me and apologize for the fact that I didn't have the time to spend with each and every one of you.

If you know of someone not receiving their copy of The Mustang Times, it is probably due to the fact that they have had a change of address or the address we have is not correct. We have had several copies returned in recent months.

I would wish to encourage each member to vote and/or submit write-ins for the Board of Directors. Remember, the Board of Directors are the people who direct your club and who appoint the officers of your club.
