## HEART OF DIXIE MUSTANG CLUB

by Gayle Thornton

The Heart of Dixie Mustang Club has been very busy the last few months. We have attended and brought back trophies at shows in Alabama, Georgia, Tennessee and Florida. Jim Deinger is our trophy king. He has received a trophy in each event in which he was entered, except for the local shows, including the National in Atlanta, Columbus, Meridien, Horseshoe Bend, Anniston and Pensacola. Trophies have been awarded to Patti Sankey, Jan Prestridge, Jim Hughes, Ken Messick and Dan Whatley, among others.

On October 12th, we had a Carvention with the Montgomery Street Rod Club. This was a lot of fun and we wish to thank all the Mustangers from other clubs who participated with us. We were proud that we had more Mustangs than any other car in the show.

Our membership has been steadily increasing, we have some very nice cars and some very nice people.

Back in the summer, member Lenny Weiss and his wife, Frances, were visiting in New York and dropped in on the Long Island Mustang Owners Club. He enjoyed his visit with them and was treated cordially. They send back with him a souvenir to our club. We appreciate this and thought it was a very friendly gesture.

## NEWS FROM THE COAL COUNTRY MUSTANG ROUND-UP

On October 26, Harrisburg, Illinois, thirty Mustang's stampeded the K-Mart parking lot that morning. By noon some were hobbled in the corral for sale, the remainder was lined up by their age for viewing by spectators and to be judged. Lots of prizes were given to the owners, compliments of local merchants, K-Mart, banks and auto supply's. Money was also donated by these businesses for the trophies presented to the herd of fine ponies. This feat was organized and carried out by four members and their wives from the Coal Country Mustang Club.

We wish to thank the Mustang Club of America for their contribution to our first show. Our show date was October 19; rain date October 26. You bet it rained, but this didn't discourage some Mustang owners. We had cars from three states; Illinois, Indiana and Kentucky, scattered from St. Louis, Missouri to Louisville, Kentucky.

All profits from show went to St. Judes Hospital.
