

LARRY'S PONY DOOR HANDLES

If you haven't been able to get a grip on your 1965-1966 classic Mustang pony interior restoration, hold on. Larry's can help with our new, exact reproduction pony door handles.

For those who have tried to "lasso" a set of these door handles, you know they're scarce. Unavailable from FoMoCo for years. Now, Larry's manufactures just what you've been looking for!

These door handles are finished in bright chrome and trimmed with OEM style vinyl wood inserts. Larry's pony door handles are made to exacting manufacturing specifications which meet or exceed OEM quality, fit and finish — and only Larry's offers them.

These exciting new handles are available in right and left hand models and are designed to replace OEM units. Larry's new pony door handles are available for only \$28.95 each.

Call and find out why Larry's is the only classic Thunderbird and Mustang parts source you'll ever need. In California, toll free (800) 858-6125 or (714) 871-6432. MOTOR TREND PRESENTS 100 YEARS OF THE AUTOMOBILE

Los Angeles — MOTOR TREND, the nation's leading general interest automotive publication, will present a special collector's edition of "100 YEARS OF THE AUTOMOBILE" on sale November 5, 1985. This special publication will trace the history of the automobile from the first exciting moment in 1886, when Karl Benz' motorwagen first sputtered to life, to the most recent developments in computer controls and aerodynamics.

Written by experts, "100 YEARS OF THE AUTOMOBILE" will feature everything from the classics, to dream cars, fifties cars, sports cars, hot rods and customs and muscle cars. The great manufacturers are recounted along with technology, the car as art, the car and society, speed and competition, and the road ahead! Continent by continent, "100 YEARS OF THE AUTOMOBILE" will focus on the origins of the auto and current state-of-the-art models. From Packard to Porsche, Tucker to Toyota, MOTOR TRENDS' "100 YEARS OF THE AUTOMOBILE" will cover the entire spectrum of automotive history and surely be a treasured collector's item for years to come. COVER PRICE: \$5.95 (U.S.) \$6.95 (Canada).

The American Belt Company has introduced a new product — the "Drag-Waister" childrens' elastic belt. Mustang and Shelby Cobra versions are available for \$3.50 each plus \$.50 each for postage and handling. For complete information contact The American Belt Co., P.O. Box A, Bensalem, PA 19020-0848 or call (215) 639-8000.

CURE RUBBER ROT

If you've noticed that the rubber seals for your 1965 to 1970 Mustang back-up light assemblies are all but gone, Larry's can help seal up the problem with their new reproduction back-up lamp seals.

Larry's is dedicated to producing the parts you need. Attention to exact detail is apparent in these new seals which meet or exceed original OEM quality at the right price! Larry's new seals are made from the highest quality rubber and are designed for easy installation, proper fit and long life. These new seals are available for the 1965 and 1966 Mustangs (\$7.50 per pair), as well as for the 1967 to 1970 Mustangs (\$1.60 each). Both right and left seals are interchangeable.

So if you are restoring or just repairing your 1965-1973 Mustang, remember, Larry's is the industry leader in Mustang restoration parts. We have what you need at the right price.

Call and find out why Larry's is your Mustang parts source. In California, call toll free (800) 858-6125 or (714) 871-6432. Anywhere else in the continental U.S., toll free (800) 854-0393. Write for Larry's latest free, fully illustrated catalog — 511 South Raymond Avenue, Fullerton, CA 92631.
