Mustangs Unlimited is paying their customers to buy from their new and improved catalog.

Mustangs Unlimited's new and improved catalog for '86/'87 is the biggest and most complete catalog of Mustangs parts available today. At \$3.00 it's really a bargain, but what makes this even more unbelievable is that inside the catalog there's a \$5.00 coupon to use on a purchase of \$50.00 or more. This is Mustangs Unlimited's way of saying thank-you.

You may remember that Mustangs Unlimited's 1985 catalog was the first catalog designed to make it easy for the Mustang enthusiast to find the parts he desired. The '86/'87 catalog is bigger and better. Here's how:

1. The new catalog has been enlarged to 136 pages, including 477 photographs and 50 illustrations.

2. A new section with brand new items and specially priced sale items has been added.

3. The Accessory section has been moved to the front of the book and enlarged to include many exciting new gift ideas.

4. The Literature section has been enlarged and re-organized into more categories to make it easier to find the type of book you're interested in.

5. Many photographs have been enlarged so that you can more clearly see the details of each item.

6. The Helpful Hardware section has been added, including all the little

nuts, bolts and fasteners to help you complete your perfect restoration.

If your Mustang restoration is complete and you'd like to see your car on the cover of next year's catalog, just send a non-returnable, high quality, 35mm color slide. The owner of the car chosen will receive a \$25.00 gift certificate.

Mustangs Unlimited's goal has always been to provide the Mustang Enthusiast with the finest catalog of Mustang parts and accessories anywhere! Any suggestions will be considered.

To order a catalog, send \$3.00 to Mustangs Unlimited, 185 Adams Street, Manchester, CT 06040.

## SPECIAL NOTICE

### Ford Racing News — Inside Line

A new publication entitled *Ford Racing News — Inside Line* is now available through subscription. Plans for the publication include race results, reviews, interviews, top driver quotes and club news. Car club show and meet schedules as provided by car club readers will be printed. Club leaders should send brief information on the meet at least 30 days prior to the event. This is a free service for car clubs that have at least 10 subscribers to *Inside Line*.

This publication believes the car clubs are essential to Ford enthusiasts and will strive to offer clubs the best possible. A 50% discount on yearly subscriptions to *Inside Line* is now being offered to car club members. Subscriptions are normally \$20 a year but car club members can subscribe for only \$10 a year if you mention your car club and give your membership number or other proof of membership. Any car club mentioning *Inside Line* to their members through their club publications may offer their members this 50% savings. For additional information on this offer contact Ford Racing News, 30245 Bainbridge, Solon, Ohio 44139.
