

## ATTENTION MODEL COLLECTORS!

Just in time for Christmas, Mustang Classic Collections announces new model in stock. Molded in white, Revell's "1/12" scale Road and Track Shelby GT-350. High performance 289 V8 engine, Shelby-American modified suspension and spare tire mount, aluminum 5-spoke wheels, detailed interior with Shelby-American instrument cluster, side windows roll up and down, opening doors, real rubber tires, and authentic Shelby Mustang decals. Available from Mustang Classic Collections, P.O. Box 717, Redan, Georgia 30074-0717.

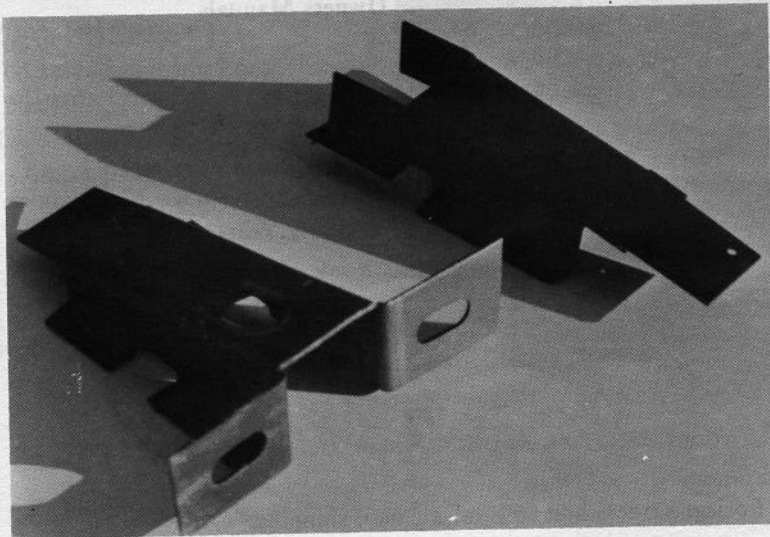

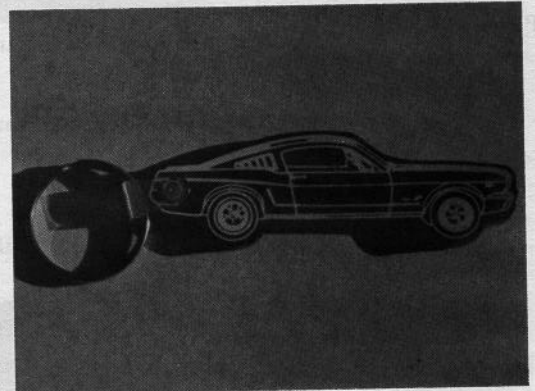

Price \$29.00 includes U.P.S. shipment in 48 continental states. Foreign and Canadian customers inquire for shipping charges.

## FREE KEY FOB!

TJ's Mustang Supply in Salem, Virginia announces the release of their newest catalog. TJ's lists thousands of new parts for 1964 1/2-1973 model Mustangs and at very reasonable prices. Write or call for your free catalog and key chain today. Contact Randy or Jeff at TJ's Mustang Supply, 1111 East Main Street, Salem, Virginia 24153, (703) 387-3863. T J's is also equipped with a complete restoration shop for the Mustang enthusiast who wants a professional job.

## TRUNK-BUMPER BRACKETS

Now available from New England Mustang Supply are reproductions of the 1967-68 (also good for 1969-70) and 1971-73 trunk-bumper brackets. Trying to clean up and reuse original brackets in taillamp panel and trunk floor replacement can be frustrating. These new reproduction pieces can be easily welded in place. Price each is only \$9.95. For additional information contact New England Mustang Supply, 4 Research Drive, Stratford, Connecticut 06497 or phone (203) 377-6186.
