

## 1986 MCA JUDGING RULES (continued)

### THOROUGHbred CLASS

The new Thoroughbred Class is designed for the restored and/or unre-stored cars that have been restored/original with the correct era parts, i.e., fan belts, battery, exhaust systems, etc. Absolutely no reproduction parts approved or unapproved are allowed. This class is designed for the true purist who wants nothing but those hard-to-find original parts. Cars are judged the same as cars in the stock division with the exception of the following:

— Quality of workmanship, condition and cleanliness. Natural finish (correct original finish) on all parts, i.e., cadmium plated, yellow cadmium, zinc plated, zinc dichromate, and bare metal. Clear coated or natural looking paint is not natural finish.

— Stock exterior — noticeable panel replacement or repair (i.e., quarter panels) will be points deducted.

— Exterior paint should have a factory-type appearance with some orange peel.

— Stock undercarriage — front suspension to be natural; strut rods, idler arm, pitman arm, steering box, tie rods, drag link, strut washers, sway bar hardware, power steering control valve, power steering cylinder. Upper and lower control arms may be all natural or black with ball joint end natural. Spring seats are natural.

— Rear suspension to be natural; rear springs, shock plates, spring shackles, sway bar hardware where applicable.

— Floor pan — should be primer with some body color. Some undercoating acceptable.

— Noticeable floor pan repair or replacement will be points deducted.

— Underside of fenders should be primer and body color with some undercoating acceptable.

— Exhaust — muffler and tailpipes must be Ford script with correct part numbers for year and application. All attaching hardware, clamps, hangers, etc., must be correct original Ford parts.

— It should be noted that some features on certain early and late production cars, Shelby Mustangs, etc., will vary from the norm and will be judged accordingly.

#### Bonus points are given for certain hard-to-find replacement parts.

#### 1. Engine Compartment Bonus Points

Battery — 1964½ - 1971 Autolite, 1972 - 1973 black core Motorcraft . 5

Starter solenoid — 1964½ - 1966 must have FoMoCo script. 1967 FoMoCo or Autolite script. 1968 - 1971 Autolite script. 1972 - 1973 Motorcraft script. 3

Generator or alternator — 1964½ generator FoMoCo script, 1965 - 1971 Autolite script alternator. 1972 - 1973 Motorcraft script. . . . . 3

Voltage regulator — 1964¼ - 1966 black FoMoCo or Autolite script. 1967 black or blue Autolite script. 1968 - 1971 blue Autolite script. 1972 - 1973 blue Motorcraft script . . . . . 4

Distributor cap — 1964½ - 1966 black FoMoCo script. 1967 - 1971 black Autolite script. 1972 - 1973 black Motorcraft script. . . . . 5

Coil — 1964½ - 1966 black coil with yellow top and FoMoCo logo. 1967 - 1971 black coil with yellow top and Autolite script. 1972 - 1973 black coil with yellow top and Motorcraft script. 2

Oil Filter — 1964½ - 1966 Rotunda R1-A gold or red in color, 1967 - 1971 Autolite FL-1, 1972 - 1973 Motorcraft FL-1. . . . . 5

Spark plug wires — 1964½ - 1966 black wires FoMoCo script boots, 1967 - 1971 black wires with Autolite script on wires and boots, 1972 - 1973 Motorcraft script wires. . . . . 6

Battery cables — positive cable must be red with FoMoCo script 1964½ - 1966 and have red terminal cover. 1967 - 1971 must be red with Autolite script. 1972 - 1973 must be red with Motorcraft script. 1967 - 1973 do not have terminal cover. Starter and battery

ground cables must be black with FoMoCo script 1964½ - 1966, Autolite script 1967 - 1971, and Motorcraft script 1972 - 1973 do not have terminal cover. Starter and battery ground cables must be black with FoMoCo script 1964½ - 1966, Autolite script 1967 - 1971, and Motorcraft script 1972 - 1973. . . . . 3

Radiator cap — 1964½ - 1967 must have Autolite or S.M.Co. script. 1968 - 1971 must have Autolite script. 1971 - 1973 must have Motorcraft script. . . . . 3

Heater hose — must be black with FoMoCo or Autolite script 1964½ - 1967, Autolite script 1968 - 1971 and Motorcraft script 1972 - 1973. . . . . 3

Bypass hose — must be correct molded hose with FoMoCo or Autolite script 1964½ - 1967, Autolite script 1968 - 1971 and Motorcraft script 1972 - 1973. . . . . 1

Radiator hoses — must be correct molded hose with correct FoMoCo or Autolite script part numbers 1964½ - 1968. Autolite script 1969 - 1971, Motorcraft script 1972 - 1973. . 3 ea.

Belts — must have FoMoCo or Autolite script 1964½ - 1969, Autolite script 1970 - 1971 and Motorcraft 1972 - 1973. . . . . 5

Windshield washer reservoir — 1964½ - 1965 must be black with white FoMoCo logo and twist off lid. 1966 must be black with gold logo and flip up lid. 1967 - 1968 must have plastic bottle with C70E part number on lid. 1969 - 1970 must have plastic bottle with C9ZF part number on lid. 1971 - 1973 must have plastic bottle with D1T part number on lid. . . . . 3

#### 2. Exterior and Trunk Compartment Bonus Points

Headlamps — 1964½ - 1969 must have original FoMoCo script headlamps. 1970 - 1973 FoMoCo script acceptable, but not mandatory. . . . . 2

Shocks — 1964½ - 1966 FoMoCo or Autolite script, Autolite script 1967 - 1971, Motorcraft script 1972 - 1973. 4

Glass — 1964½ - 1971 must be Carlite with Ford oval around word Carlite. 1972 - 1973 must be straight Carlite script. 4

Gas Tank — must have factory drain plug, 1964½ - 1969. 1970 - 1973 no drain plug required. 3

Exhaust — Ford script muffler with correct part number for year and application. 5

Inlet pipe Ford script. 3

Tailpipes Ford script. 3

Correct Ford clamps and hangers. 4

Trunk mat — 1964½ - early 1965 gray plaid design with burtex backing. 1965 - 1966 gray plaid design with rubber backing. 1967 gray plaid design with burtex backing. 1968 - 1970 gray spatter design with cloth backing. 1971 -

1973 solid gray cloth Grande model only. All other 1971 - 1973 models have dark gray spatter paint and no mat. 5

Spare tire — must be original tire for year and model. See tire specifications. 3

### 3. Interior

**Bonus Points**

Door panels — must be original Ford panels correct for year and model. 10

Carpet — must be original Ford with correct heel and toe pad for year and model. 10

Seat covers — must be original Ford covers correct for year and model. 10

### 4. Tire Specifications

**Bonus Points**

Appropriate for year and model. Listing

.....

of exact tire sizes forthcoming. ... 10

### 5. Literature

**Bonus Points**

Dealer invoice. 1

Window sticker. 1

Owners manual. 1

Warranty card. 1

Brochure. 1

Key fob with dealer name. 1

License plate frame with dealer name. 1

Questions concerning this class should be directed to Bob Perkins. (Refer to listing for assistants to Head Judge.)

## Hand colored prints of MUSTANGS and SHELBY'S

8"x10" .... \$18.00 ea.

(B&W is available for \$6.00 ea.)
