## Getting Back To Base Six

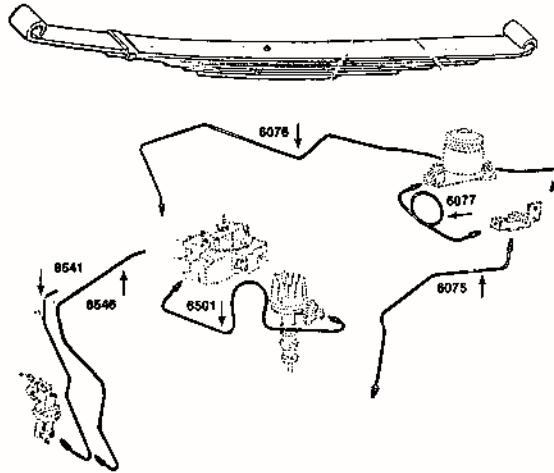

For those owners of 1965 and 1966 six cylinder Mustangs who long wished there was a registry to call their own, your dreams have come true! After researching and writing about Sprint Mustangs for more than three years, Rick Mitchell has decided to expand the format of his highly successful 1966 *Sprint 200 Registry*. Effective immediately, the Sprint Registry will be expanded to cover all 170 and 200 cubic inch powered first body style Mustangs, and renamed the *Early Six Mustang Registry*. The Registry's typeset feature newsletter, *Sprint Print*, which has been well received, will be retitled *Six Classics*. The annual dues will remain the same at only \$9 per year, which includes four issues of the revised newsletter. Rick promises this will be everything you want a six cylinder Mustang registry to be, and more! For more details, write to the *Early Six Mustang Registry*, % Rick Mitchell, 428 Madingley Road, Linthicum, Maryland 21090.

## MCA ROSTER

Although this information was given in a previous editorial column the message probably needs repeating. The MCA no longer prints a membership roster as in past years. With the constantly changing membership listing it is virtually impossible to print and mail an accurate membership listing to all MCA members. It seems that the most common use for the roster was by Mustang parts vendors to mail advertisements to our members without MCA approval.

Since printing and postal rates continue to rise, the MCA Board of Directors decided to discontinue the roster.
