## MEMBERS HELP REQUESTED!

by Bill Koivu

Renewals and address changes must be received by the 15th of the month to be included in the next months mailing of *Mustang Times*.

To avoid unnecessary costs we request that members pay their "Renewal" dues when they receive their FIRST invoice. As costs continue to rise (postage and printing), the costs of sending second and third invoices can be avoided.

Remember, all memberships expire on the 1st day of their respective month. Unless your renewal payment is received by the 15th of the preceding month, you will not receive the current issue of *Mustang Times*.

Your help will be appreciated, and keep costs down.

## THE LAST ONE!

"The final Mustang convertible, the last soft-top to be built by any Ford Division, is Serial Number 3F03Q259417. Built on June 25, 1973, this historically significant car had not yet been titled in 1978, and with only a very few miles on it, remains in the possession of Mr. Ron Stoltz, a former Ford Dealer in Pennsylvania."
