

*This 1967 six cylinder coupe is owned by Brad Bowling of University, Alabama. Brad states in his information "After I spent \$50 getting a personalized plate, I was shocked*

*to learn that a lot of Mustang enthusiasts don't even know what it means."*

*Bob Welsh of Raleigh, North Carolina is the owner of this 1965 coupe. Equipment includes a six cylinder engine, automatic transmission, power steering and disc brakes. The coupe is driven to local meets, events, and parades, and was purchased from the original owner.*
