

ONE DOWN, ?? TO GO

Well, we made it to 1987 which marks the end of my first year as your editor. A year really isn't a very long time, but when I think of that year as only 12 issues, the time seems even shorter. I can't believe I've been involved in this crazy hobby for seven and a half years. I've always been told that the older you get the faster time goes by, but this is getting ridiculous!

1986 brought about a few changes in MCA; yours truly became MT Editor, we held our first dual grand nationals which also finally took us into the western area of the U.S., and the "biggie" of them all was the acceptance of the 1974 to present model Mustangs into the Club.

1987 is bound to bring about even more changes. Perhaps not as major as accepting the late models but things always seem to change. If our club is to grow and prosper we must be willing to change with the times and keep up with new and growing trends. Plus we (the officers and directors) must make changes to accommodate the needs and ideas of you, the members.

One change you may notice in the *Mustang Times* is that Brad Bowling of Tuscaloosa, Alabama is now listed as a contributing editor. This seems to be an appropriate time to thank Brad, Rick Mitchell, our first contributing editor, and Lee Wilmot of Vintage Mustangs for their articles and information throughout the past year. I would also like to say "thank you" to all of you who have taken the time to contribute articles, stories, and information to the *Mustang Times*. Without the assistance of such talented members I could not produce the *Mustang Times* each month.

This new year will hopefully be a good one for all of us. I'm looking forward to my second year as editor and I sincerely hope there will be more years to come.

HAPPY NEW YEAR!

Teresa
