

Mr. G's Mustang City

Glenn Garrison (Mr. G himself) tells us that the 1965-66 console door springs (for non-A/C applications) are "of the finest quality with long wearing chrome finish." At \$9.95 for the pair, it's a small price to pay for reviving worn-out console doors. Also from Mr. G's comes these chrome-finished dash panels for the 1967-68 Mustang. The center dash panel costs \$12.95 and the right lower dash panel sells for \$19.95. Both of these panels are used in non-A/C applications. For more information, contact: Mr. G's Mustang City, 5613 Elliot Reeder Road, Ft. Worth, TX 76117-6091 or phone (817) 831-3501.

100-Octane Unleaded Gas

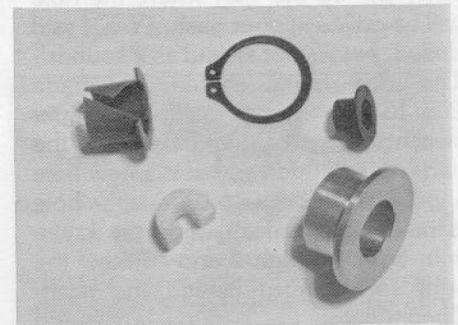

Trick Enterprises of San Diego, California is currently marketing a street-legal 100-octane unleaded gas. At the present time this gas is available in parts of California, Arizona and Washington.

Although designed for the performance cars of the 80's this gas can be used in older cars as an octane booster for leaded gas. Test results including its use in the 1986 SCCA National Championship Runoffs at Road Atlanta have been very favorable.

For more information contact Trick Enterprises, P.O. Box 5025, San Diego, CA 92105, (619) 281-9133.
