

ST. LOUIS MUSTANG BECOMES ST. LOUIS CLASSICS!

ST. LOUIS MUSTANG is expanding. Having experienced a great deal of success in the classic Mustang market, Mickey Neustaedter, founder, is pleased to announce the addition of Jack Garris and Jim Smart into the corporation. Jack is a longtime Mustang hobbyist known for his expert knowledge of the breed, dating back to 1965 when he prepared "new" Mustangs for delivery as a master mechanic with one of the St. Louis areas's leading Ford dealerships. Jim, as most Mustang enthusiasts will recall, is the former editor of *Mustang Monthly* magazine. With his vast experience and abilities, he will be directing many new projects currently on the drawing board that will greatly benefit the valued customer.

With all these changes comes a new name, *St. Louis Classics, Inc.*, to emphasize a new direction for the successful Mustang parts business. For more information and a copy of *St. Louis Classic's* new catalog, call or write them at #97 Hilltop Village Center, Suite B, Eureka, Missouri 63025, (314) 938-4577.

THE THRILL OF INTERNATIONAL RACE CAR DRIVING IS CAPTURED ON NEW HOME VIDEOCASSETTE

IRVINE, CA — World Champion race car driver Jackie Stewart headlines an exciting program on the art and science of driving in the new instructional videocassette "Behind The Wheel With Jackie Stewart." Carrying a suggested retail price of \$59.95, the 60-minute program will be available February 27 from Cinelli Racing Videos produced by Karl Lorimar Home Video.

Shot on location around the world, "Behind The Wheel With Jackie Stewart" features exciting footage of race track competitions and the famous drivers who make this sport a career. Three-time World Champion driver Stewart offers tips on braking skills, proper acceleration techniques, quality cornering, driving finesse and expert maneuvering, so that each driving experience is a peak driving performance — and a safe one, too. Stewart also provides practical advice to the viewer wishing to break into the high stakes field of auto racing.

Marketing plans for the videocassette include a major television and print ad campaign tied in with the Ford Merkur XR4Ti automobile. Both trade and consumer sweepstakes promotions will be implemented, and Jackie Stewart will make personal appearances on behalf of the program.

"Behind The Wheel With Jackie Stewart" is available on both VHS and Beta from Cinelli Racing Videos, 1801 Bernice Street, Schenectady, New York 12303, (518) 355-9725.

A NEW PUG FORD PART

If your blinker doesn't return to the center position after turning, this is what you need — the nylon bushing that fits on the back of the steering wheel and click's off the blinker switch after you have completed your turn. This part fits 1967 through 1969 Mustangs, Cougars, and T-Birds with tilt steering wheel. Price is \$19.95. Contact Pug Ford, 7165 Pembroke Road, Hollywood, FL 33023, (305) 966-0067.
