

Saleen Owners Unite

Dave Frezza, of Portland, Oregon, announces the formation of the first factory-recognized Saleen Mustang club. Saleen Vehicle Owners of North America (SVONA for short) is open to all enthusiasts of the Saleen Mustang.

Dave is the General Sales Manager at Damerow Ford in Portland and fields an independent Saleen race car (one of the '87 factory team cars). Damerow Ford is the largest Saleen dealership on the West Coast so it seems only natural for Dave to head up this non-profit organization.

SVONA is looking to start regional groups across the country.

Dues are \$40 a year and run from June to May each year. Members will receive, among other benefits, a bi-monthly newsletter, a membership card, and periodic factory updates about new models and upcoming changes to the Saleen line.

For more information, contact Dave Frezza, 5427 SW Doschdale Ct., Portland, OR, 97201.

New His/Her Judging Certificates

Due to a request from one of our members, the Mustang Club of America will be printing a special run of "unisex" certificates for the certified judges. The new sheets will not make references to "his" and "him" like the current ones do. Any male or female judges wishing to obtain one of the certificates can request one when they are ready. *Mustang Times* will run information on them in an upcoming issue.

Judging Rules Meeting

An informal meeting will be held to discuss the MCA judging rules in general on September 4, 1988 at 9 a.m. The meeting site will be the Holiday Inn, Greenville, South Carolina, during the grand National Show hosted by the Foothills Mustang Club.

All MCA members are invited to attend this meeting. No changes will be made to the judging rules at this time but your input and suggestions are requested. A formal committee meeting will be held later in the year.

If you have any questions please contact Bob Perkins at (414) 696-3788.
