

1989 Show Season Begins Next Month

MCA's busy 1989 show season gets underway next month in balmy Pensacola, FL. with the first of a series of national meets which includes the club's first-ever West Coast event.

The Gulf Coast Regional Mustang Club will host the opening show in Pensacola March 24-26, and the club reports heavy registration for its 10th annual event.

A beautiful, top condition, white 1970 Mach I will be given away at the Sunday awards presentation which concludes the Pensacola event.

In addition to the usual large crowds of American Mustang owners who kick off the season in Pensacola each year, more than 150 European Mustang enthusiasts are expected to attend the March event. The Europeans will be touring the United States during this year's Silver Anniversary of the introduction of the Mustang.

Beaumont, TX. will be the site of the second show of the 1989 season. That event will be held April 28-29, and registration information will be published in the March issue of The Mustang Times.

Atlanta will be the site of the third event of the year, with the Georgia Regional Mustang Group hosting an MCA National at Marriott Gwinnett Place on I-85 in suburban Atlanta. Bob Deale of the Georgia Regional is in charge of that event, which will be held May 26-27-28.

The first national MCA ever held on the West Coast will be held June 23-24-25 in Hollywood, CA.

The 1989 season will close Labor Day Weekend with a dual Grand National Event. Tulsa, OK. and Winchester, VA. will be the host sites for the 1989 dual Grand National competition Sept. 1-3.
