

To The Editor:

Being a Mustang for many years, it is common knowledge among MCA members that we hold "concoors" shows, not "concourse" as you have listed in the November issue of Mustang Times. There is a difference in the two words. *Concoors* means an event; *concourse* means a place, such as at an airport.

You owe the club members a correction on this.

Thank you for allowing the criticism.

**Malcolm L. Stone
Brandon, MS.**

(Editor's Note: You are quite right, Mr. Stone! Please accept our apologies. We'll be certain that the distinction between "concoors" and "concourse" is made in future issues, and thank you for calling it to our attention!)

To The Editor:

I am writing to tell you how much I enjoy reading your magazine.

My girlfriend and I have been into Mustangs for years. I enjoy them so much I can't see enough of them.

I own a 1970 Mustang which I am restoring. It doesn't need much work, but it will get everything it needs and then some! The car has a 1983 302 that I rebuilt. Hopefully, when I finish it, the car will make some shows. Thanks for listening and keep up the good work.

**Tony Salony

To The Editor:

The December issue of Mustang Times was excellent! The cover shows that even the new breed of ponies is stampeding its way into the hearts of fellow Mustangers. What a lineup of GT convertibles!

I know you have heard it all before, but I hope Jim Smart's multi-year compilation will become a reality, as we Mustangers are eager and willing to purchase his labor and learn even more about our hobby.

**Larry Sorenson

To The Editor:

You don't know how happy I was to read the feature by Elizabeth Enich in the January Mustang Times!

I have been reading the Times for several years and have often wondered why you don't have more about WOMEN and their Mustangs in your magazine.

The hobby might be dominated by men, but believe me, more and more women are getting interested in this exciting sport, and I hope, under the new editorial management, that you'll recognize that the ladies deserve some coverage too!

**Barbara Dinsmore
Denver, CO.**

To The Editor:

I recently saw a copy of your magazine at a friend's house and was happy to find out about The Mustang Club of America.

I have owned a 1964½ convertible since I was in college and have recently become interested in restoring it. I would like to get my Mustang back to its original condition and, eventually, show it in some of your events.

Would you please send me an application for membership in The Mustang Club of America? Since I am planning to begin work on my convertible this spring, I think it would be a great deal of help to become involved in your club. Do you have other publications which explain the steps I should take in restoring my Mustang?

I look forward to hearing from you and hope to become a member of your organization in the very near future.

Thank you for your time and consideration.

**John Summers
Louisville, KY.**

(Your application is in the mail! We also included some information regarding sources for information on restoring your convertible and we all look forward to having you become a member of our association. We need enthusiastic new members like you!)
