

Hampton Re-Elected President

Charles Hampton of Greenville, SC. was installed as president of the Mustang Club of America for a second one-year term at the organization's annual banquet held Saturday, Jan. 14, at the Marriott Gwinnett Place in suburban Atlanta.

Approximately 50 MCA members braved a chilling January rain to attend the installation banquet.

Also honored at the event were other 1989 MCA officers including Bill Dillard of Calhoun, GA., vice president; Pat Downer of Chattanooga, TN., secretary; Bill Koivu of Stone Mountain, GA., treasurer; Jack Yeager of Decatur, GA. Mustang Times Publisher; Ed Hunter of Powder Springs, GA. and Tom Gaddis of Conyers, GA., sergeants-at-arms; and Tom Bader of Montgomery, AL., parliamentarian.

Hampton, who has been an active member of MCA since 1976, was first elected to the board of directors two years ago. He was praised by several board members for his strong leadership during 1988. Melvin Little, MCA board member from Sapulpa, OK., noted that under Hampton's leadership during the past year the Mustang Club has "really come a long way, and I hear that from people all over the country. Charles deserves our thanks for an outstanding job."

"It's the people on this board and the members of this club who really deserve the credit," Hampton said. "I couldn't do this job without them."

Singled out for special honors at the installation banquet were two outgoing officers who gave countless hours of service to the Mustang Club of America during the past year.

Don Perry of Kennesaw, GA., and Kitty Wilmot of Roswell, GA., received plaques from Hampton and the organization as a token of the club's appreciation for their work during 1988. Perry served as vice president and publisher of The Mustang Times during the past year. Mrs. Wilmot was MCA Secretary. Both remain members of the board of directors.

Bob Deale of Marietta, GA. was in charge of the arrangements for the installation dinner and was praised by Hampton for "a really outstanding job."
