

Readers Respond To Pleas For Help

For the past several months I've been spending a great deal of my time urging our regional groups and club members to help us out by contributing news, photos and feature stories about activities and events in your area.

Last month we were deluged with stories and photos from clubs across the nation. How about August's *Mustang Times*? Wasn't it informative and entertaining!

The whole purpose of our magazine is to keep our nationwide membership up to date on activities involving our hobby, and the only way we can accomplish that is for your regional group officers to submit stories and photos about events in your area.

Apparently, many of you have gotten the message! And we know your club members were happy to see their cars featured.

I want to especially thank Robert Lyons for his technical articles, Biff Hitzeman of Old Fort Mustangers in Fort Wayne, IN for his informative feature on convertible tops which appears in this issue, and Les Rosenfeld of the Vintage Mustang Club of Kansas City for his contribution this month regarding some legal questions surrounding the sale of classic cars.

Your help is greatly appreciated!

MT*MT*MT

I'd like to extend get well wishes to two Mustang lovers who have spent more time in the hospital than in the garage lately.

J.J. Johnson, owner of J.J.'s Mustang Bam in Chattanooga, TN, has been under the weather lately, and we hope he's back in top form soon.

Also, Sam Dean of Greenville, SC, a member of MCA's Board of Directors, has been ill and we wish Sam the best as he continues his recovery.

—Jack Yeager

Crane Cams Giving Away 2 Mustangs

The top winner in Crane Cams' 1989 sweepstakes will face a difficult choice between a fully-restored 1964½ classic Mustang convertible or a brand new Mustang 5.0 liter soft-top. Six first prize winners will be selected in the contest and will receive an all-expense-paid trip to the 1990 Daytona 500. A drawing will be held among those six winners and two will be selected to compete for the grand prize. A coin flip between the two top winners will determine the Grand Prize winner, who will then make the choice between the 1964½ or 1990 convertibles. No purchase is necessary to enter the contest. Entrants need only print their name, address and telephone number on a 3-by-5" index card and mail it to Crane Cams, P.O. Box 11349, Daytona Beach, FL 32014. Entry deadline is Nov. 30, 1989.

Letters To MT Note of Thanks

Editor:

Our thanks to MCA for your assistance as a sponsor for the Second Annual Twin Rivers Mustang Show. Because of your sponsorship the show was a total success. We had 93 cars on display, most of which were show quality restored Mustangs. We were extremely pleased that many concours quality cars were trailered to the show.

The success of the show was also measured in the fact that the participants came from the four state area of Michigan, Missouri, Oklahoma, and Kansas. The Mustang show brings a different dimension to the Twin Rivers Festival as demonstrated by the large numbers of people who viewed the cars.

We really appreciated the *Mustang Times* issues. We were able to put them in our "goodie bags" in time for the show. With help like yours it made our show a great success. Thanks again.

Charles A. Sawyer
