

## Grand National Winners Display Their Plaques

Some of the winners at the MCA 1991 Grand National held in Kingsport, TN display the plaques they received at the show. Their placement in the show was inadvertently reversed when the awards were announced at the Saturday night banquet, but the results were quickly corrected. These winners in the Street Driven class included Elizabeth Calton, first; and Gary Dempsey, Susan Stone and Bob Stone, second. Complete results of the Kingsport Grand National are printed in this issue of *The Mustang Times*.
