Atlanta To Host '92 Grand National

Three Georgia MCA Regional Groups — Northeast Georgia Mustang Club, Cherokee Mustang Club, and Georgia Regional Mustang Club — have been selected to host the 1992 MCA Grand National in suburban Atlanta, GA.

The MCA Board of Directors awarded the 1992 Grand National at its February meeting, held at the Marriott Courtyard Hotel in Marietta, GA.

The application from the three Georgia Regional Groups was one of two received by the board for the 1992 Grand National. The Valley Forge Mustang Club of Pennsylvania also submitted an application for the 1992 season finale.

The 1992 Atlanta Grand National will be an indoor show and will be held over Labor Day Weekend at Elko Exhibition Center off I-85 in suburban Gwinnett County.

The facility includes space for more than 250 cars and approximately 100 vendors.

Ample parking is also available and camper and RV hookups will be available on-site. The three Georgia groups also plan to give away two Mustangs in a his and hers charity promotion which will see one couple win matching Ponies.

Dates for applications for Grand National and National MCA Shows for 1992 were moved up this year at the request of regional affiliates, many of whom are finding it

necessary to book show sites as much as one year in advance.

The Board of Directors will award 1992 National Shows at its March meeting.

Grand National events are awarded one month in advance of National shows to permit regional groups applying for Grand National events to reapply for a National Show in the event another club is selected to host the Grand National.

Restoration Series Is Airing In Atlanta

By BARBARA KOIVU
 For The Mustang Times

"Classic Car Shop," a 13-part series on automobile restoration featuring a 1966 Mustang, is now airing in the Atlanta broadcast market.

Segments will include planning, finding a car, determining whether to fix or replace parts, paint stripping, metal cutting, panel fitting and welding, priming and sanding, the final painting, cleaning buffing and touch-up, and final assembly. The program will offer a complete step-by-step plan for restoring the interior and exterior of a classic car.

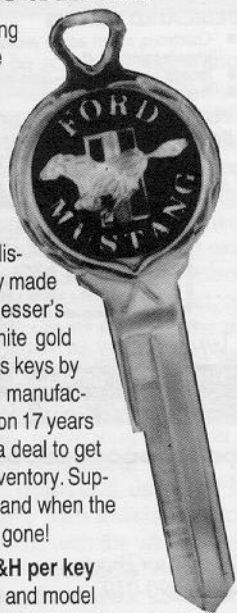

The series began Thursday, Feb. 7, at 6:30 p.m. on WPBA, Channel 30, Atlanta Public Television. Subsequent segments will be aired the same day of the week at the same time for the following 12 weeks. MCA members outside of the Georgia broadcast zone should contact their local public television station for dates and times.

The program has aired or is scheduled for broadcast in a number of other markets across the nation.

The Atlanta broadcast of Classic Car Shop is made possible by Lee Mathias' Mustang Farm of Kennesaw, GA, (404) 427-0382.
