

Let's Help This Youngster Set A World Record!

One thing which continues to impress me about Mustangers is that they always seem to be in the forefront when it comes to helping the less fortunate.

Most of you are aware of the major contributions made by groups sponsoring national and grand national shows each year. Proceeds from prizes and give-aways benefit all sorts of charities, from the Meals on Wheels program in Greenville, SC to the Shrine Children's Hospital and Ronald McDonald House in Pensacola.

It seems that while we all enjoy having fun with our Mustangs, our groups are also aware of the fact that they have an obligation to be contributors to their communities, and they use their events to do just that.

And there are many, many other charities and worthy causes which benefit from the efforts of our regional groups.

But the compassion of Mustangers goes beyond that.

Sifting through club newsletters we find that almost every group in the country is also helping someone in need — be it a child who needs a bone marrow transplant, a home for

abused children, or assistance to the handicapped or elderly.

This past month I got an interesting letter from a brand new MCA member. Billie Joe Huth of Mineral City, OH writes:

"I know I am a new member, but I have a request from you already!

"Please, I hope you can print the enclosed information. It concerns a boy who is suffering from a terminal disease. His last wish is to make it into the Book of World Records

for receiving the most get well cards.

"I am hoping my fellow Mustangers will find it in their hearts to help this little boy."

Billie Jo (MCA Member #24,538) knows to call on when it comes to helping other people!

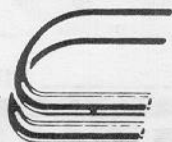

The young man's name is Craig Sherwood. You can send him a get well card in care of The Children's Wish Foundation, 3200 Perimeter Circle, Atlanta, GA 30346.

Craig is suffering from an inoperable brain tumor, but he remains in good spirits and is hopeful of putting his name in the Guinness Book of World Records with the help of caring people all across the country.

I appreciate Billie sharing this young man's wish with members of MCA and I encourage all of you to take a few minutes to find a get well card for Craig and help him fulfill his wish.

I know Mustangers are the most compassionate, sharing, caring people in the world. And I am confident that with our help we can help Craig set the world record that he so enthusiastically wants!
