MUSTANG OWNERS!

If you're into Mustang paraphernalia, you are always on the lookout for something special. Now here's a Mustang collectable item that can put you over the top. Jesser's Auto Clinic is offering distinctive keys especially made for your Mustang. Jesser's found the 10-karat white gold over heat-treated brass keys by accident (the original manufacturer stopped production 17 years ago,) and negotiated a deal to get the entire remaining inventory. Supplies are very limited, and when the keys are gone they're gone!

\$12.50 plus \$2.00 S&H per key

- Specify year, make and model
- Check key for single or double cut
- Please include phone number
