Our Sympathy To Tom Gaddis And His Family

One of the Mustang Club of America's longest active members, Tom Gaddis of Conyers, GA, is mourning the recent loss of his wife, Helen, who died December 7th.

Tom, who is an original charter member of MCA, has been on the Board of Directors for several years and has served several years as sergeant-at-arms.

His wife suffered from asthma for nearly 22 years and required the assistance of a respirator. Tom and Helen had been married for 45 years.

A former executive for Ford Motor Company, Tom has been retired for the past four years. In addition to two daughters and one son, Tom has six grandchildren.

Helen's asthma kept her from attending many Mustang shows, but she was able to join Tom at a few several years ago before her condition worsened.

The staff of *The Mustang Times*, members of MCA's Board of Directors, and —I'm sure— many, many MCA members who knew Tom join in expressing heartfelt sympathy to this veteran Mustang and his family in this great loss.

We were also saddened recently to hear of the illness of Moe Beaubain, a Canadian Mustang whom many of us have met during the past year as he and his wife, Shelia, travelled the U.S. with their Pony cars.

Moe and Shelia were a big hit in Atlanta at the 1991 MCA National held at John

Bleakley Ford, and you may recall reading a feature story on this lovable couple in *The Mustang Times* during the fall of 1991. Shelia won the hearts of the members of the Georgia Regional Mustang Club when she parked the couple's motorhome, rolled up her sleeves and went straight to work helping out at the Atlanta National.

Both Moe and Shelia are teachers in Toronto and took a leave of absence this past year to travel all across the U.S. — hitting every Mustang show they could find. They've practically had a lock on all the "Long Distance" trophies throughout the past show season.

Moe's illness is forcing the couple to sell most of their prized Ponies and we'll miss seeing their Mustangs at future shows.

We wish Moe and Shelia the best and

hope to see them back on the Mustang trail soon.
