

Oak Ridge National Show Was Outstanding!

I want to extend my thanks and my congratulations to the Tennessee Valley Mustang Club for an outstanding MCA National Show in Oak Ridge, TN in September.

The Tennessee Valley Regional Group did a superb job in organizing and hosting this MCA national event and a great field of Mustangs attended.

I got a chance to see many MCA member's cars for the first time. That is one of the big advantages of having MCA shows in different parts of the country — it gives a broader spectrum of our membership the opportunity to participate and to win MCA trophies.

The Tennessee Valley Group will also be sponsoring an MCA National in 1993, and I look forward to being back in Oak Ridge for that show as well.

Thanks, folks, for an excellent show!

I have been very pleased with the response to the MCA President's Award, which has apparently excited a significant number of our Regional Groups.

We are now being swamped with applications for the 1992 President's Award and are in the process of checking the paperwork. We'll be announcing which MCA groups will receive this award in future issues of *The Mustang Times*.

And remember, you still have until December 31, 1992, to get your application in.

While at the MCA National in Oak Ridge, TN in September, it was my pleasure to present two Regional Groups with 1992 President's Awards.

Membership Dues Can Now Be Paid By Credit Card!

Annual membership dues for the Mustang Club of America can now be paid by Visa or MasterCard, according to MCA National Treasurer Bill Koivu.

MCA recently received approval to accept these two major credit cards for the payment of annual dues.

A family MCA membership is \$25 per year.

Koivu said credit cards can be used for dues payments only and cannot be accepted for MCA accessories.

Those plaques went to the Tennessee Valley Mustang Club, which hosted the National Show, and the Georgia Regional Mustang Club, which was one of the co-hosts of the MCA Grand National held in Atlanta over Labor Day Weekend.

I have a feeling MCA will be handing out many more of these plaques in the weeks and months ahead.

We encourage your group to participate in this recognition program. And, if your group wasn't able to take part in the President's Award program in 1992, we hope you'll make it a club priority for 1993.

The entire Board of Directors is excited about plans for an MCA National 30th An-

niversary Mustang Convention, to be held at Charlotte Motor Speedway April 15-17, 1994.

Jim Osborn, a former MCA President and former National Head Judge, has been selected by the board to serve as the overall chairman for this event, and plans are already snowballing.

This should be the celebration to end all celebrations!

MCA will be renting the entire Charlotte Motor Speedway Complex for that weekend, and we expect hundreds — perhaps even thousands — of Mustangs to participate in this 30th Anniversary blow-out.

You'll be hearing more details about this show in upcoming issues of *The Mustang Times*, but we want to urge all our 100-plus affiliated Regional Groups to begin making plans to join us for this 30th Anniversary celebration in 1994.

The past few months we have been averaging approximately 200 new members and we continue to inch closer to that all-time high figure!

If you haven't signed up your new member for 1992, your time is running out.

Remember, I challenged you!
