

## Remember: Deadlines For Mustang Times Have Been Changed

Deadlines for news copy, classified advertisements, display advertisements and regional news for *The Mustang Times* have been changed.

The new deadline is 45 days prior to the cover date of the magazine.

June 15 is the deadline for all materials to be included in the August issue.

The 15th of the month will continue to be the deadline for materials for all subsequent issues of the magazine.

Deadlines for *The Mustang Times* have historically been among the shortest in the magazine publishing industry. Many national publications have deadlines as much as three months prior to the issue's cover date.

The decision to move the magazines's deadlines ahead by 15 days was made in an effort to insure that MCA's nationwide membership continues to receive *The Mustang Times* as close as possible to the first day of the month.

Your cooperation with these new deadlines is appreciated.
