

## SVO Owners Will Hold Second Annual Nationals

The SVO Owners' Association will hold the second annual SVO Nationals at Road America in Elkhart Lake, WI, August 14-16.

The weekend begins Friday with tech inspection opening at noon at Siebkin's Resort in Elkhart Lake.

For those interested in participating in the Saturday Autocross, a drivers' meeting will also be held Friday.

Tech inspection and registration will continue Saturday morning. Registration will close at noon.

Several SVO-related seminars are scheduled for Saturday afternoon. A display of other Ford vehicles — including Mustangs, Cobras,

Shelbys, and many other Ford-powered cars — will also be held.

Saturday will also include a banquet at Bruce's, which is located on the outskirts of Elkhart Lake. At the banquet, awards for Autocross and the SVO Car Show will be presented. A guest speaker will give a presentation and door prizes will also be awarded.

High-speed touring will take place Sunday morning at the track and SVO technical seminars will continue Sunday afternoon.

For registration information on the 1992 SVO Nationals, contact Douglas Singkofer, 3700 Willowood Avenue, Marion, IA 52302.

GEORGE HUISMAN

The hot new look for the 90's. The Classic Light Bar offers you a unique styling package for '84 and up convertible Mustangs. For the individual who is tired of the same old Mustang. Classic Light Bar features a high mount, high intensity brake light. Rigid steel tube core construction minimizes body flex inherent to topless vehicles, then styled to give a unique contemporary look with "Original Equipment" finish.

The Classic Light Bar is intended for styling purposes only. It has NOT been designed to protect in the event of a rollover. Follow vehicle owner's manual for rear seat passenger protection.
