

Ya'll Come To the 1992 MCA Grand National!

I know it seems like summer just started, but its already time for the 1992 Grand National!

Three Georgia MCA Regional Groups are joining hands to sponsor this year's Grand National in Atlanta, and we expect a tremendous show over Labor Day Weekend.

The scene will be the Marriott Hotel on Windy Hill Parkway off I-75 in Marietta, GA, which is just north of Atlanta. I expect to see cars from all across the nation at thie '92 Grand National.

Members of Georgia Regional Mustang Club, the Northeast Georgia Mustang Club, and the Cherokee Mustang Club have teamed up to co-host this year's event and among these three groups there is a world of experience in staging National and Grand National events.

Those Grand National trophies are the most prized in our hobby, so I hope you'll be on hand in Atlanta to see if you can take one home this year.

The start of the '92 show season was great.

The Mustang Club of Indianapolis held the first MCA National of the year at the famous Indy Motor Speedway and the event was simply outstanding.

It was great to meet so many old friends — and make so many new friends — at this show and to see so many people continuing

to enjoy the Mustang hobby.

Members of the Indianapolis club did a great job in organizing and putting on this show and my hat's off to all of those who had a hand in this event.

The Indy Speedway is a great place to hold a Mustang show and I hope the folks in Indianapolis will have us all back again soon.

Usually the Grand National marks the end of the annual show season, but this year there's still plenty more to come.

The end of September will have us in Oak Ridge, TN for a National Show and in October we'll be in Lynchburg, VA for the final event of the '92 season.

I would like to remind our regional groups once again that if your club is interested in hosting an MCA National or Grand National show in 1994 — the 30th anniversary year of the Mustang — time is running out to get your application in.

We expect a record number of show requests for the '94 season, so I urge you to contact MCA immediately if you have hopes of hosting an MCA event in '94.
