

Nevada Group Is Joining Fight To Defend Collector Car Hobby

EDITOR:

We are all aware of the Bush Administration's "Cash for Clunkers" and the "Waxman Global Climate Protection Act," another effort to impose dramatic increases in corporate average fuel economy (CAFE) standards on American motorists, which would restrict consumer choice and reduce highway safety.

Increasingly, we are seeing our hobby come under attack from various initiatives which target the automobile — more specifically older automobiles. There have already been efforts (a few successful) to limit the use of older, less fuel-efficient cars. Given the current state of affairs, it is reasonable to fear that future legislation could actually prohibit us from driving our older Mustangs on public highways.

Several nationwide associations have been formed to oppose legislation to restrict our rights. Personally, I am associated with the Nevada Car Owners Association, which is actively opposing laws that adversely impact our hobby.

Someone in each area needs to coordinate this fight and, if possible, start a petition drive to show our elected officials that we mean business. Please get involved before it is too late. Keep your rights to drive the car of your choice! Please take time to write to your Senators and Representatives. Letters do wonders. We all need to band together and scrap this kind of legislation.

Thank you very much. I can be reached at (702) 361-2331. I am the secretary of The Mustang Club of Las Vegas and I welcome any help we can get in this fight.

March of Dimes Thanks Green Country Group

EDITOR:

Thanks to the generosity of our sponsors, the hard work of a host of volunteers and the 1,500-plus individuals who walked and raised money, the 1992 Tulsa, OK WalkAmerica raised approximately \$80,000 toward the March of Dimes campaign for healthier babies.

The walk was exciting, fun and successful. We are happy that the Green Country Classic Mustangs were a part of our efforts. The March of Dimes relies on the support of caring organizations such as the Green Country Classic Mustangs to keep WalkAmerica alive and well.

My personal thanks for the support of this MCA regional group in our campaign. On behalf of the Eastern Oklahoma Chapter of the March of Dimes, we look forward to a

Lynchburg Club Mourns Loss Of Popular Member

EDITOR:

This month, members of the Lynchburg, VA Area Mustang Club say goodbye to one of the finest people to ever be called a member of our group.

Nancy DeMasters passed away Friday, June 12. At the last club meeting, it was decided that the club would give \$1,000 to the DeMasters family to help offset some of Nancy's medical expenses.

Owen and Peggy Tomlinson delivered the check to Jim and Nancy shortly after that meeting. Prior to Nancy's passing away, we received a thank you card from Jim and Nancy.

Our loss is certainly heaven's gain. We offer Jim and Joe and the rest of the DeMasters family our deepest sympathy and offer any assistance we can provide.
