

## Ford Interested In Sponsoring 30th Anniversary Celebration

Ford Motor Company has expressed interest in sponsoring the 30th Anniversary Convention to honor the introduction of the Mustang, according to MCA Board Member Jim Osborn.

Osborn heads the 30th Anniversary Convention Committee which is planning what is expected to be the largest Mustang show in the history of the classic car.

Osborn said he received some positive indication from Ford Motor Company in February regarding sponsorship of the event and is awaiting additional information from the auto manufacturer.

"This is a big plus for the show and, of course, we would certainly be happy to have Ford in our corner for this celebration," Osborn said.

The MCA Board of Directors voted in 1992 to sponsor a 30th Anniversary Convention at Charlotte Motor Speedway in Charlotte, NC April 15-17, 1994. The first Mustang was introduced to the public on April 17, 1964.

The 30th Anniversary extravaganza will include a car show, vendors, an open track event, manufacturer displays, seminars and workshops, and a number of other events.

Osborn said Ford's interest in the celebration "should mean that we will have a number of other sponsors falling in line with this event in the very near future."

He also said negotiations have been completed with a host hotel and other hotels in the Charlotte area to provide accommodations for the weekend convention, but said full details would not be released until a later date.

"We've got the hotels committed, but we aren't in a position to announce those this month. We expect to have a complete listing of hotel accommodations, along with rates and reservation telephone numbers, in the April issue of *Mustang Times*," Osborn said.
