Pensacola, FL Selected For 1994 Grand National

The Gulf Coast Regional Mustang Club of Pensacola, FL has been selected to host the 1994 MCA Grand National.

The event will be held over Labor Day Weekend.

The Gulf Coast Group was one of five MCA Regional clubs applying for the 1994 Grand National.

Applications were also received from First Pennsylvania Mustang Club, Green Country Mustang Club of Tulsa, Vintage Mustang Club of Kansas City, and Tennessee Valley Mustang Club.

After considering a number of factors, the MCA Board of Directors selected Pensacola as the site of the Grand National.

"We sincerely appreciate the efforts of all those Regional Groups which applied for the Grand National," said MCA President Bill Dillard. "It is regrettable that only one could be chosen, but MCA is fortunate to have so many outstanding groups interested in hosting this event. Our thanks to them all."

Texas Panhandle Group Elects Club Officers

Members of the Texas Panhandle Regional Mustang Club of Amarillo, TX recently elected new officers.

David Dunn will serve as president of the group. Bill Howell was elected vice president.

Other officers include Jeannette Martin, secretary and Ronnie Wilson, treasurer.

Walter L. Jones will serve as MCA National Director for the club.
