MCA Does Not Sanction Regional Mustang Shows

By direction of the Board of Directors of The Mustang Club of America, Mustang shows listed in *The Mustang Times* Calendar of Events cannot be designated as "MCA Regional" shows.

The Mustang Club of America regularly sanctions Grand National and National Mustang Shows. Regional Groups seeking to sponsor a National or Grand National Show must apply to MCA on forms provided by the national organization. These applications are voted on by the board each March and April. Forms may be obtained by writing National Show Coordinator Jim Watson in care of MCA, P.O. Box 447, Lithonia, GA 30058.

The Mustang Club of America does not sanction regional Mustang shows.

A number of MCA's regional groups host annual Mustang shows in their areas. However, regional groups are requested not to advertise these events as "MCA Regional" shows.

Because MCA exercises no control over the judging or the rules used at local shows, the board prohibits these events from being listed as "Regional Shows" in the Calendar of Events.
