

Mustang A 'La Carte?

Want to know one of the best ways to draw a crowd? Put a field of Mustangs on display! When the first MCA National Mustang Show ever held in Arkansas was staged in North Little Rock this past summer, guests and employees at the Riverfront Hilton couldn't resist getting a first hand view of the classic cars. Even the hotel's head chef, Luis Becerra, had to come out of the kitchen to get a first-hand view of the Mustang iron. The certified chef was in the process of preparing a banquet for a large group, but he turned the burners down to low so he would have an opportunity to step outside and admire the large field of Ponies assembled for the River City National Show.
