

**1964 1/2-73  
Mustang Identification  
Plate Decoder  
Now Available**

The Mustang Club of America is pleased to announce the availability of a pocket-sized official identification Plate Decoder for 1964 1/2-73 Mustangs.

The decoder is a convenient 3 1/2-by-6-inches — small enough to fit into your pocket.

It is available from MCA for \$5.00 plus \$1.00 shipping and handling.

Send your check or money order today to MCA Official ID Plate Decoder, P.O. Box 447, Lithonia, GA 30058.

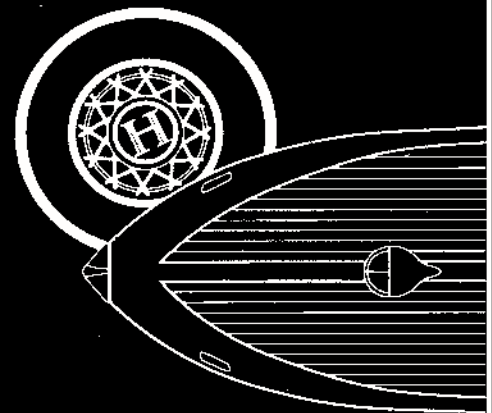

**Coming Next Month...**

We will continue our coverage of 30th Mustang Anniversary Celebration activities as April looms closer. Jim Osborn, Show Chairman, will bring us up to date on the best to come. Veteran MCA member and enthusiast Jack Yeager will spin the camlobes of his 1993 Mustang Cobra R-Model, the first of its kind to see exposure on the cover of the *Mustang Times*, and we're going to tell you all about it.

We're going to take a trip off the beaten path and test drive the 1994 Mustang in Southern California. Dozens of respected journalists did high in the mountains and low in the valleys last fall. We'd like to share some of that experience with you.

Finally, we'll cover the last of the sneak previews from last fall's October 17th 100-city blitz, not to mention the all-important Regional Group news you're waiting for.
