

30th Mustang Anniversary Celebration Update!

Jim Osborn, Show Chairman

We've told you a lot about the 30th Mustang Anniversary Celebration itself, happening at the Charlotte Motor Speedway April 15-17, but there's more to the Mustang's 30th birthday than meets the eye. Do you realize that the longest Mustang caravan in history is taking shape in Sacramento, California right now - and you have a chance to be involved.

It's called *Mustangs Across America* and it promises to be the greatest display of Mustang unity ever. Like we told you last month on page 32, the *Sierra Mustang Club* starts out from home base in Sacramento on April 8th and charts their course across the country, picking Mustangs and owners up along the way.

If you're coming to Charlotte, there's no better way to do it than with hundreds of others with a like passion.. And certainly there's never been a better time to join the Mustang stampede.

There are several points where you can meet up with *Mustangs Across America*. April 9th, they head out from Ontario, California. April 10th - Flagstaff. April 11th - Santa Rosa, New Mexico. April 12th - Mustang, Oklahoma. April 13th - Little Rock, Arkansas. April 14th - Nashville, Tennessee. And April 15th, on into Charlotte, North Carolina to help light 30 candles. Please show *Mustangs Across America* your interest and support by participating in a very significant event in Mustang history.

If you would like to know more about *Mustangs Across America*, please contact them at P.O. Box 4131, Dept. MCA, Citrus Heights, CA 95611-4131. The cost to participate is small, just \$20 as of February 1st. There's a nice newsletter, plus involvement.

Remember, there will not be any registrations permitted at Charlotte. If you don't pre-register, you won't be able to show your Mustang, it's that simple. Please don't wait any longer. If you're going to show your Mustang, you must register now.

Finally, my thanks to everyone who is helping to make this event a success. There's a lot of work ahead, and we need all of the volunteers we can find. Will you help us? **MT**
