Goods And Services For You And Your Mustang

Readin', Writin', & Drivin'

Lauren Jonas Fix is a familiar name in the Mustang world. She and her father own **Stainless Steel Brakes Corporation** in Upstate New York. But did you know that Lauren is an accomplished and experienced racer and instructor? You don't have to go to Upstate New York to learn something from Lauren Jonas Fix, however. Her new book, **Driving Ambitions**, is a complete handbook on motorsports competition covering drag racing, rallies, autocross, track and road racing. If you've never raced, this book will help you get started. If you're experienced, it will help you improve. This softbound, 144 page book has more than 40 photos and illustrations and is available from **California Mustang** for just \$9.95, plus tax and shipping. For more information, contact California Mustang, Dept. MCA, 18435 Valley Blvd., La Puente, CA 91744. To order by phone, call Toll Free 1-800-775-0101. Alaska, Hawaii, or International, call (818) 964-0911. For 24-hour FAX orders, call (818) 964-1642. Catalog is \$3.

Capture A Little Bit Of Trans Am With Four Chargers From **Boss Models**

Boss Models has re-created these exciting and significant 1970s race cars in 1:43 scale. Striking in their racing livery, these championship winning cars are complemented by the tamer street versions. The 1970 Boss 302 Mustang is available in Red, Grabber Orange, and Grabber Green. For more information, please contact **Boss Models**, c/o Scale Model Technical Services, Dept. MCA, Brunel Road, Hastings, Sussex, England TN38 9RT. These models are also available at leading model and hobby shops across the United States.

Almanac Expands Legislative Watch Organizations Section

Hemmings' Vintage Auto Almanac contains all kinds of interesting and informative content for the Mustang buff. Inside, there are 2,500 listings for car clubs, dealers, restoration shops, salvage yards, museums, and dozens of other businesses and individuals who can set you straight on your needs and interests.

It doesn't matter what you're looking for, this informative 464-page booklet, fully indexed and cross referenced, will help you find what you need.

New Products

continued from page 29

An extra added bonus are the 42 listings for Legislative Watch organizations. This is a dramatic increase over last year. Most of these organizations have recently been formed to protect the interests of the collector car hobby and stand watch for "Clunker Bills" which can threaten the old car hobby.

The *Almanac* is available for \$9.95 post-paid from **Hemmings Motor News**, Dept. MCA, Box 945R, Bennington, VT 05201.

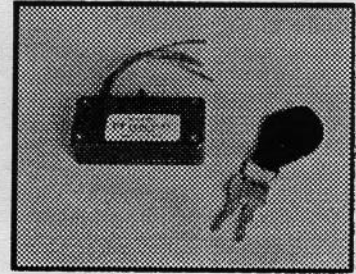

Just A Little Slice Of Saleen...

As the Saleen Mustangs of the 1980s begin to age, folks like **Mustang Dynamics** are beginning to answer the call for replacement parts. **Mustang Dynamics** is pleased to offer an extremely limited number of new, original 1985 Saleen Mustang T5 leather wrapped shifter knobs. These knobs will also fit 1984 through 1993 Mustangs without modifications. For more information on these and other late model Mustang performance parts, contact **Mustang Dynamics**, Dept. MCA, 13204 Jasper Road, Fairfax, VA 22033, (703) 818-9892.

Do you have goods and services that you would like to share with nearly 10,000 MCA families around the globe? Please send us your "New Products" information c/o the Mustang Club of America National Headquarters, P.O. Box 447, Lithonia, GA 30058.

THEFT DETERRENCE AND YOUR KEYS

GO TOGETHER IN 1994!

DP Products patented anti-theft unit will not allow your car to be driven yet will not alert the thief to its presence. The car will seem to start, then die every time an attempt is made to start your car. Simulates an out of tune or out of gas car.

- **Automatic resetting** every time the key is turned off.
- **Safe for Computers**, does not ground the ignition system.

LOW COST, EFFECTIVE

- **Does not allow the vehicle to move under its own power.** Vehicle will not be left in harms way.
- **Not an alarm**, no false alarms.
- **Nothing to carry with you**, no remotes or special keys.

ALARMS CANNOT STOP A THIEF

- **Small size**, designed to mount without drilling holes.
- **Payback**, many insurance companies reduce rates for auto-resetting anti-theft devices.
- Works with all 12v neg ground cars
- Dealer inquiries invited
