

## Mustang Owners!

Jesser's Auto Clinic is offering distinctive keys especially for your Mustang. Jesser's found the 10-karat white gold plated keys by accident (the original manufacturer stopped production 20 years ago) and negotiated a deal to purchase the remaining inventory. Supplies are limited, and when the keys are gone...they're gone!

## Does this story sound familiar?

Once upon a time, there were four people; their names were Everybody, Somebody, Nobody, and Anybody. Whenever there was an important job to be done, Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did it. When Nobody did it, Everybody got angry because it was Everybody's job. Everybody thought that Somebody would do it, but Nobody realized that Anybody would do it. So consequently, Everybody blamed Somebody when Nobody did what Anybody could have done in the first place.
