An Engine Installation Party...What A Concept!

Saturday, September 10th- The engine installation at Orrie & Betty Engle's house saw a great team effort from both the SMC and the Classic Mustangs of Tampa Club. In attendance were about 27 people! Everyone enjoyed the continental breakfast with Betty "giving up" her kitchen to several

helpers. Bill Egleston of the Tampa Club took a video of the entire process, as did a rep from Mustang Monthly. Orrie was impressed with the knowledge displayed by all involved. Thanks to the Suncoast Mustang Club's "Pony Tales" newsletter for this story.
