Playboy Pink Registry

The Playboy Pink Registry was taken over by Robert Finney last summer, and at his request we would like to update you on this roster. We encourage anyone who owns one of these unique Mustangs and has not received a letter stating the change of address to please write to Robert Finney at the Registry's new address: P. O. Box 1302; Topeka, KS 66601. Responses received will be answered in a timely fashion. He will also be more than happy to answer any questions individuals have about these rare automobiles. For anyone interested in this Registry, there will be a quarterly newsletter beginning in January which will give members updates on the number of Playboy Pink cars found, as well as any new information the Registry is able to locate.

We appreciate the efforts of Jason D. Sellers and Robert Finney in relaying this important information to our members. -Ed.
