

Cover Car

by Roger Johnson, Ed.

Ricky Simmons (MCA National Head Judge) first noticed this car when he was trying to buy the perfect, unrestored original trunk mat out of it. Joe Schmidt (MCA#27471) is the proud owner of this excellent, unrestored original '69 Grande Mustang, and you can be sure neither the trunk mat nor the car are for sale.

Joe has owned this ultra clean Mustang for three years and has had great success showing it. We found it at the national show in Cypress Gardens where the car calmly won the "Gold" in its class for unrestored Mustangs.

Ricky Simmons says he loves to judge unrestored original cars like Joe's. Not only is it a pleasure to see such a Mustang in all its factory glory, it is also an invaluable learning experience because every single piece on this car is exactly like Ford made it almost a quarter century ago.

Very few of us will ever have the opportunity to buy an older Mustang with the credentials of originality this one has. On the other hand, if

any one deserves to have an original, unmo-
lestated Mustang, it is someone with hard-charg-
ing enthusiasm and dedication to the hobby.
Someone just like Joe Schmidt. So, treat
yourself and check out Joe's car the next time
you have the opportunity. It'll be like an up-close
look at an actual time machine.
