"ADOPT-A-HIGHWAY"

Here we see some of the hard working Michiana Mustangers keeping their portion of an Indiana highway clean. The enthusiastic club has committed to maintain a two mile stretch of the U.S. 31 Bypass in South Bend. As you can see, in return, the state erected the nice sign for "Adopt-a-Highway". Every little extra bit of exposure clubs get helps out, too. Our thanks to Michiana Club President Brad Milliken, MCA# 28353, for sending this article in to us. We think it's a great idea for community support and exposure.

News from Centre Region

The reorganizational meeting for the Centre Region Mustang Club (PA) was held January with the following officers elected for 1995. President Dan Workman (MCA# 20756) will continue to do a fine job in that office as he was unopposed for re-election. The office of Secretary/Treasurer will once again be held by the husband/wife team of Ray & Deb Andrews (MCA# 26420).

New officers for 1995 include Bob Mowery (MCA# 33817) as Vice-President and Matthew (Mic) Mostoller (MCA # 33818) National Director. These two are seasoned club members and are a welcome addition to the Board of Directors.

We would like to thank former Vice President Chris Donovan (MCA#24402) and National Director Daron Dibert (MCA#22631) for their contribution to the club as officers. Without dedicated leaders like them, the club wouldn't be what it is today.

The major focus of the CRMC for 1995 will be the Annual Father's Day Ford Show, to be held June 18th. The site will once again be the 28th Division Shrine, PA Military Museum, Boalsburg, PA. The club has recently organized a committee to obtain trophy sponsors for the seventeen classes of cars. This is an addition of two classes from last year's show.

We are fortunate to have two major corporate sponsors from last year's show (Nittany Beverage and WQWK Radio) commit their resources to our show for 1995. They provide many gifts and door prizes, as well as lending a hand in publicity and advertising.

Club members have also undertaken the task of having more members become MCA certified judges. This will insure that each class is fairly and accurately judged by qualified individuals and teams.

Members of regional clubs in PA and neighboring states are invited to join us for our growing Father's Day Ford Show. It is the only Ford show in the Central PA area, a region with many attractions and points of interest.

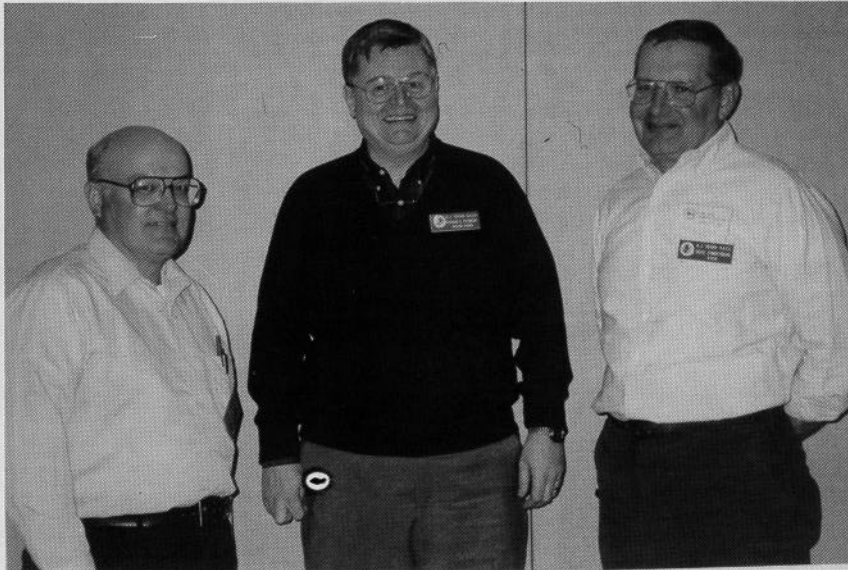

Among the other events scheduled by the CRMC are the annual Memorial Day Parade and club picnic. This always gives members a chance to show off their cars and get reacquainted with each other after a long winter of sitting at home.

Plans are underway to attend "Fords at Carlisle" and the National Show in September at Valley Forge. Several parades and other events are also being discussed as places to take our horses. It's nice to be able to be in a parade with a pony and not have to worry about carrying a shovel!

- Thanks to Debra Andrews, MCA# 26420, for sending this in and keeping us informed. -Ed.

Mustang Seminar Plays To Record Crowd

The Wyndham-Franklin Plaza Hotel in Philadelphia, PA was the scene of the Antique Automobile Club of America's Annual Meeting on February 11, 1995. Dave Zimmerman (# 7993), President of First PA Mustang Club and National Director of Garden State Region Mustang Club served as Moderator of the Sixth Annual AACA Mustang Seminar. Assisting Dave were Panelists Richard Steinkopf (# 2241), Garden State Region Treasurer and Jim Aberts (# 33743) from the Valley Forge Mustang Club (PA). The slide presentation and discussions covered America's favorite Pony Cars from '64 1/2 to 1970 including GTs, Shelybs, and Bosses, for an audience of over 75 Mustang fans.

Wisconsin Gets MCA Regional

The Western Wisconsin Regional Mustang Club is proud to announce that it is now a Mustang Club of America Regional Group. They are happy to give people in their area who cannot travel to major Mustang Club of America events, a feeling that they can actually participate with Mustang Club of America.

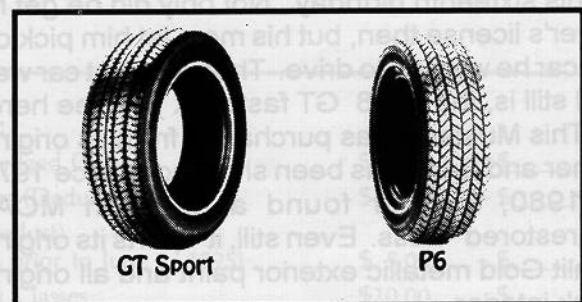

There are currently 28 members with 65+ cars and their families who participate in various club activities. Enthusiasts from Wisconsin, Minnesota, and Iowa areas are invited to check them out. Already the final touches are being put on the MCA Regional Show, June 24 - 25 in LaCrosse, WI. The club hosts a Fall Color Cruise and an Autocross, and participates in various other cruises and shows. For more information, please contact them at: Western Wisconsin Regional Mustang Club; W6098 CTH-T; Holmen, WI 54636. Phone: 608-526-6619 or 608-786-1142.

- Our thanks to the WWRMC and crew for the above announcement. Welcome to "Big Boy's Toys"! - Ed.
