

Summer Place

What better way to get there—or anywhere—than a Shelby GT? Pleasure begins the second you turn the key and bring alive America's answer to Europe's finest GT cars.

Let your Shelby dealer deliver the goods . . .
and save enough to rent a summer place, buy a boat—
or just chuckle all the way to the bank.*

SHELBY G.T. 350 and 500 *The Road Cars* Powered by
