## LETTERS TO THE EDITOR

Dear Editor:

Vintage Tee's would like to congratulate the Georgia Regional Group for an outstanding job and show well done on "Atlanta '78".

## FROM OUR PRESIDENT

At the November 2, 1978 National Board of Directors' Meeting, the 1979 Judging Rules presented by the National Rules Committee chaired by John Henderson of the Scenic City Regional Group, were adopted for the 1979 season with very minor changes.

These rules will be made available shortly. Our thanks to this committee for doing an outstanding job. We know the problems and the time that was spent and we extend to them a much deserved "Thank You". Also, we have hired a part-time secretary, Mrs. Ellen Sprayberry, whose main duties will include all new memberships and renewals. We believe this will speed up the process of new memberships and free others to do more correspondence.

Due to the employment of Mrs. Sprayberry, it has been deemed necessary that the Club purchase an additional electric typewriter.

Good news for all Mustang Club of America youngsters! The National Board of Directors has approved, for 1979, two classes of

model car competition at all National meets during 1979. These must be a Shelby or Mustang car and shall fall into two age groups... 11 to 15 years and 10 and under. Trophies will be awarded in each class for first, second and third place. One rule was decided to be that each first place car is to be retired. Now is the time to put in your Christmas request for that model. This should allow you sufficient time to get ready for the Eastern National Meet, May 25-27, 1979 in Chattanooga, Tennessee. Daddy, not too much help, please.

Also, at the Board Meeting, a chairman of the Board of Directors was elected and that is Denny Arrington of Lawrenceville, Ga. for the year 1979.

It was also adopted at the Board Meeting that each regional group, chartered before January 1, 1979, be allowed to elect one National Board of Director to represent that Regional Group for the next year. This will be the rule to follow for upcoming years as well.

We would like to receive notification, no later than January 5, 1979, from each regional group as to who your National Board of Directors Member is.

We have had several requests to know when the Grand National will be held in Atlanta. As of this time, we have not secured a location large enough to handle this Meet and are therefore not able to tell you at this time. As soon as we know anything for sure, we will let all of you who are trying to plan your vacations know. We are hoping for Labor Day Weekend.

The Osborn Family has sold their home. We are in the process of building a new one. But, we are faced with a short-term move until our new house is completed. We ask that you send all Mustang Club correspondence to the National Headquarters, P.O. Box 447, Lithonia, Ga. 30058.

Thank you,

Tim Osborn. President
