What was the first year that a rear window defogger was available as an option on a Mustang?

Correct Answer: 1968

Winners: Patricia Dersey  
Pinckney, Mi.

Arthur Dice, III  
Rock Glen, Pa.

## FROM OUR PRESIDENT

I'd like to start off this month by wishing a speedy recovery to Ellen Sprayberry, our newly hired secretary. We hope our "mess" didn't get the best of her.

As you will see on Pages 16 and 17, we have started publishing the 1979 Mustang Club of America Judging Rules. These will be continued in the January issue. We also intend to publish

them in a Rules Book that will be available to members at a small charge. We hope to have these printed and ready for distribution by the end of January. Please read them carefully as they will be used at ALL meets during 1979.

Regional Groups: We must receive your notification, no later than January 5, 1979, as to whom your national board of director member is. Also, and very important, we need the mailing address for 1979 from each regional group, immediately. We are planning on listing all regional groups with a mailing address in all advertisements during the year 1979.

I am very sorry to hear that AMT Corporation (maker of model car kits) has gone out of business. We do understand that Matchbox has acquired them. We also understand that Mustang models are extremely hard-to-find in most parts of the country. At the Eastern National Meet, we will accept metal and plastic Mustang/Shelby cars that have been re-worked by the children. They will be judged according to the age of the child and the work that has been performed to them. We want this to be a contest for our children; not the dads.

A hearty welcome is made to our latest regional group, Treasure State Mustang Club, 3630-5th Avenue, South, Great Falls, Montana 59405. A special thank you to all your members for their hard work in forming this club.

The December issue of Hot Rod Magazine has a special 12-page Mustang section and even though they did not mention The Mustang Club of America, it is certainly worth reading.

The Osborn Family have moved into a temporary location until their new house is finished. Their temporary address is: 1334A Stone Race Drive, Stone Mountain, Ga. 30083. Phone number is (404) 498-0644.

The Officers and Board of Directors of The Mustang Club of America would like to wish you a Very Merry Christmas and a Prosperous Mustang New Year!
