## LETTERS TO THE EDITOR

Mr. Osborn

Greetings fellow club member!! I like your editorial column. You being our National Secretary/Treasurer you get a lot of exposure to all the members. I need many parts I can't find for my 1968 Mustang convertible !! I was wondering if you know anywhere I can get them. They are;

Tilt Steering

Tachometer

Rear aluminum panel around tail lights

I need these parts!!!

There are two more things I would like to bring up before I end this letter.

- (1) I see N.O.S. on a lot of the classified advertisements, what does it mean ?
- (2) Are "wanted" ads free as are "for sale" ?

Thank you very much for your time in reading this letter.

John Zorkocy

Editor note;

N.O.S. means ; NEW OLD STOCK (ORIGINAL UNUSED OLD PART)

CLASSIFIED ADS (FOR SALE -WANTED-TRAD) ARE ALL FREE TO MEMBERS.....

## FROM THE EDITOR

This month's Car of the month is unique in several ways. First off, it belongs to Jack Cornely of Severna Park, Maryland. Secondly, it is the oldest known Mustang (production-wise) having been built on the 7th day of April, 1964. Do you know of one any older? Lastly, this car is in original condition and is our car of the month.

Jack is in the process of having this car totally restored to like-new condition. We are making this our project car and will be following closely the restoration process in future issues. We look forward to seeing this early convertible be reborn.
