

FROM OUR PRESIDENT

We have now completed the 1978 Membership Roster and you should have received your by now. I hope everyone enjoys this roster. If you should be interested in forming a regional group in your area, check your roster and make contact with some of the members in your area and plan a get-together.

For all of you with late model Mustangs, we need some cars for Car of the Month. We can't print them if we don't have them.

As the time draws near for the Eastern National Meet, I would like to urge everyone planning to attend this show to pre-register in advance, if possible. The First Tennessee Regional Group will have their hands full at the meet. All advance registrations will be greatly appreciated.

Also, I have been informed that we still need qualified judges for this Meet.

For those of you who are not aware of the fact, The Mustang Club of America is celebrating its 2nd birthday during the month of March, 1978.

Let's continue our fabulous growth, if any of you need application forms, please contact National Headquarters.
