

REGIONAL GROUP NEWS

Our regular February meeting was held on Thursday, Feb. 23rd at Anderson Ford. Attendance was exceptionally good.

Don Wolfe reported that Flea Market license has been acquired. Responses on Eastern National Meet are increasing. In this regard, a nice letter from C.A. Jones of Obsolete Ford Parts was read to club members. A sample jacket available from National Headquarters was shown and prices quoted. National Shirt Shop, Ft. Henry Mall has short sleeved shirts available in Mustang colors.

Letter from Jim Osborn was read outlining information appearing in car magazines promoting Eastern National Meet. Alvie Bright reported plans have been finalized with a particular band. Also, two professional photographers have been contacted.

This meeting was rather short with members afterwards taking their cars to the mall for a 3-day show. Snow was falling and the roads were hazardous; however, 25 cars were entered. Some were driven and some were trailered with much cleaning done upon arrival. The show was a tremendous success with several new members being added. A summary of our new members follows: Hunter Perkins, Jimmy Larking, Clarence Williams, Tom Barham, Mike Davis, Doyle Davis, James Shuler, J.O. Stapleton, Donald Steward and Charles Holdren.

Next meeting will be Thurs, March 23rd 7:00 p.m. at Anderson Ford.

GEORGIA REGIONAL GROUP NEWS

We will meet at The Farmer's Market, 16 Forest Park Way, Forest Park, Georgia Sunday, April 9, 1978. This is the Early Ford V-8 Club's Invitational Car Meet. MUSTANG OWNERS' CLUB OF SOUTHEASTERN MICHIGAN

The February meeting of the Mustang Owners Club of Southeastern Michigan was held on Feb. 14th at Christoff's Public House in Dearborn. The membership was shown a sample of the Mustang Club of America's jacket. The names of those interested were taken and plans made for collecting the money and placing the order. Quite a few members have placed their orders which will be submitted after the March membership meeting.

Also discussed was the MOCSEM participation in the Memorial Day weekend Show-N-Being sponsored by the Regional Shelby American Automobile Club Chapter. The 3-day event will consist of drag racing at Milan Dragway on Saturday, a car show at Ford World Headquarters on Sunday and autocross at Michigan International Speedway on Monday. MOCSEM has offered to

assist at the show on Sunday and members were reminded that time is drawing near.

The vacancy of the office of Vice President created when a job promotion resulting in additional responsibilities forced John Lowry to reluctantly resign office was filled at the February meeting. Mike Kish was elected to the office to serve out the remainder of the term. The officers of MOCSEM welcome Mike aboard and look forward to working with him on the upcoming year's activities.

President, Pat Makowski and Regional Correspondent, Jerry Ostalecki went out to National Tech Adviser, John Vermeersch's shop to discuss the possibility of Tech sessions and other club activities. A tech session covering "Common problems repairing small block Fords" was decided upon and the date set for March 18 at 3:00 at John's shop in Mount Clements. John Vermeersch's knowledge of Ford performance goes back to the Muscle Parts program and then some. The quality of John's work spoke for itself when NOCSEM member Ron Wahl took a second place trophy with his '69 Mach I in May of 1977 at a Stieners Promotions Inc. CARVAN show at the Detroit Light Guard Armory. John also opened his extensive Ford Performance film library to the MOCSEM. One of his films will be shown at the March meeting. Any Mustang Club of America members who happen to be in the Detroit area the date of the tech session are invited to attend.

The MOCSEM wishes that any Mustang Club of America members in Michigan please contact us. See our ad in the classified section of this newsletter.

Jerry Ostalecki, Regional Correspondent
