I hope to meet each and everyone of you personally at Kingsport. I have heard a lot of people say that their car is not good enough to enter into competition. That takes all the fun out of showing your car. Whether your car is an unrestored original or an every-day driven or just an old "junker" like mine, get involved...enter your car and be proud of it. I entered mine (Sue's) and if we give a trophy for the "worst" I would definitely win. Remember, I'll be able to say, "I drove mine (if it doesn't break down) I entered and showed mine, I participated all the way." You'll never know how much fun it can be if you don't show your car.
