

REGIONAL GROUP NEWS

Our regular monthly meeting was held on Thursday, April 27th and the following items were discussed.

MUSTANG OWNERS' CLUB OF SOUTHEASTERN MICHIGAN

The April Membership Meeting of the MOCSEM was held on April 11 at Ginopolis Capraro Restaurant in Redford Township. President, Pat Nakowski explained the discount order plan being worked out with Panteras of Michigan from Classic Motorbooks. Copies of Classic Motorbook's 1978 catalog were given to the members and orders taken. Also discussed was the upcoming Memorial Day Show & Go being sponsored by the local Shelby American Automobile Club chapter. Names were taken of those who would be able to help out at the show.

The June 11 Carival of Cars being sponsored by the Michigan Region of the Classic Car Club of America at the old Packard Motor Car Company Proving Grounds in Utica, Michigan was the subject of discussion. Arrangements have been made with CCCA for the MOCSEM to enter as a club and exhibit club members' cars. Applications will be available at the May meeting at which time entry fees will be collected and submitted along with the applications at one time to CCCA.

Members were informed that there would be a guest speaker at the May meeting. Mr. Paul Krutty will be present to give a talk and discuss insurance problems with the members. "Overview on Insurance and Collectors Cars" is the topic of Mr. Krutty's talk. Getting proper coverage for early Mustangs has proved to be somewhat of a problem and Mr. Krutty's 14 years experience qualify him to explain those problem areas and what the alternatives are.

In place of the 50-50 drawing, a raffle for a subscription to Mustang News was held. The lucky winner was Archie Cowan of Redford Township. He will be receiving the Mustang News for 1 year compliments of MOCSEM.

Schedule of events for Eastern National Meet has been prepared by Don Wolfe and was read to members. Entries to Eastern National Meet are coming in well. Local members were urged to do their registering now.

Inquiries from National members and non-members indicate this will be best event ever. The local paper had a recent article and more extensive local publications will take place in May. Judging sheets were received from National and were explained by Max Epps.

Sid Miller will obtain name tags for members and show participants. Letter from National concerning formation of Regional Groups was read by Don Wolfe. All members were encouraged to enter their cars in the show.

Next meeting will be Thursday 7 p.m., May 27 in Ft. Henry Mall parking lot. This will be a short meeting followed by a working session.

Good news from Jimmy Horne! He has returned from St. Thomas Hospital with good news concerning his health and is now preparing his car for the show.

We wish to encourage all regional groups to provide us with news of their activities for this page. This is your chance to get the message out to other members located in your area

Anyone wishing information on starting a regional group, please contact our new National Regional Group Director, Max Epps, Rt. 6, Church Hill, TN. 37642.

Also see page 3 for our new state directors.
